PARTICIPATION BY DISADVANTAGED BUSINESS ENTERPRISE AND NON-DISADVANTAGED BUSINESS ENTERPRISE FIRMS

Policy: In accordance with 49 CFR Part 26, it is the policy of the US Department of Transportation (DOT) to ensure nondiscrimination in the award and Administration of DOT assisted contracts in the Department's highway, transit and airport financial assistance programs. Therefore, the DBE requirements contained in the above cited regulation are applicable on this contract and shall be complied with by all contractors.

DBE Obligation: The prime contractor agrees to ensure that DBEs, as defined in 49 CFR Part 26, have the maximum opportunity to participate in the performance of subcontracts on this federally-funded contract and that he/she shall not discriminate on the basis of race, color, national origin, age, sex or handicapped in the prosecution of this contract.

All bidders are required to submit a written certification that they have read, understand and will comply with these requirements (*see DBE and Non-DBE Certification found in Bid Forms and Proposals*). **A bidder's failure to submit this certification or submission of a false certification may render the bid non-responsive.**

Definitions - The following definitions apply to this contract:

- A. "Disadvantaged business" means a small business concern, (a) which is at least fifty-one percent (51%) owned by one or more socially and economically disadvantaged individuals or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock of which is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it.
- B. "Small business concern" means a small business as defined pursuant to Section (3) of the Small Business Act, as amended, including all applicable and relevant rules and regulations promulgated pursuant thereto.
- C. "Socially and economically disadvantaged individuals" means those individuals who are citizens of the United States (or lawfully admitted permanent residents) and who are:
 - (1) "Black Americans", which includes persons having origins in any of the Black racial groups of Africa;
 - (2) "Hispanic Americans", which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
 - (3) "Native Americans", which includes persons who are American Indian, Eskimos, Aleuts, or Native Hawaiians;
 - (4) "Asian-Pacific Americans", which includes persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos, Cambodia, Burma, Thailand, the Philippines, Samoa, Guam, the U.S. Trust Territories of the Pacific, and the Northern Marianas;

- (5) "Asian-Indian Americans", which includes persons, whose origins are from India, Pakistan, and Bangladesh;
- (6) Women (of all races); and
- (7) "Any other minorities or individuals found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) and 8(d) of the Small Business Act, as amended, (15 U.S.C. 637(a)).

The Contracting Officer shall make a rebuttable prerogative that individuals in the above groups are socially and economically disadvantaged. This prerogative shall be based on criteria set forth in 49 CFR Part 26. The Contracting Officer also may determine, on a case-by-case basis, that individuals who are not members of one of the above groups are socially and economically disadvantaged.

Prompt Payment: The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract within 7 days from the receipt of each payment the prime contractor receives from DDOT. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the recipient. This clause applies to both DBE and non-DBE subcontractor.

Goals:

Open Market: The District Department of Transportation has established an Annual DBE Overall Goal of 28.29% for FY2008. While no specific contract goal has been established, prime contractors are encouraged to utilize certified DBE firms to perform work in this project. Please provide the information requested with regard to potential DBE and Non-DBE firms as requested in the "DBE and Non-DBE Certification" found in Bid Forms and Proposals.

Bidders are advised that each proposed DBE participant must be DBE certified by the **METROPOLITAN WASHINGTON UNIFIED CERTIFICATION PROGRAM (MWUCP)** at the time of the bid opening.

Furthermore, bidders are advised that they will be required to provide proof of actual payments to DBE firms utilized on this project by providing cancelled checks for each payment made.

Unlisted classifications needed for work not included within
the scope of the classifications listed may be added after
award only as provided in the labor standards contract clauses
(29CFR 5.5 (a) (1) (ii)).

In the listing above, the "SU" designation means that rates
listed under the identifier do not reflect collectively
bargained wage and fringe benefit rates. Other designations
indicate unions whose rates have been determined to be
prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can
be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on
a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests
for summaries of surveys, should be with the Wage and Hour
Regional Office for the area in which the survey was conducted
because those Regional Offices have responsibility for the
Davis-Bacon survey program. If the response from this initial
contact is not satisfactory, then the process described in 2.)
and 3.) should be followed.

With regard to any other matter not yet ripe for the formal
process described here, initial contact should be with the
Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an
interested party (those affected by the action) can request
review and reconsideration from the Wage and Hour Administrator
(See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor

200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

END OF GENERAL DECISION
